Join the Technology Policy Institute for a Happy Hour celebration on **May the Fourth, also known as Star Wars Day!**

We're bringing together tech enthusiasts, policy experts, and Star Wars fans alike to enjoy drinks and light bites.

Whether you're a Jedi Knight or a Sith Lord, this is the perfect opportunity to mingle and network. And for those who prefer a more intimate setting, we'll have plenty of space for introverts, just like Yoda.

So join us as we raise a glass to the Force and toast to the future of tech policy!
